Portrait Package Options & Finishes

Lustre Packages

All Decorator Wall Portraits and Gift Size Portraits in our Lustre Packages are delivered in our most popular lustre finish. Lustre portraits are carefully hand finished with a satin permacoat lacquer to prevent glare and give protection against discoloration. Lustre portraits may be displayed with or without glass.

Standard Packages

All Decorator Wall Portraits and Gift Size Portraits in our Standard Packages are printed on a textured portrait paper using the latest industry techniques and meet the quality standard for which we are known. We recommend framing our standard finish portraits using non-glare glass.

All Packages:

- We offer basic retouching of skin blemishes on all portraits at no additional charge.
- Portraits may be ordered in color or black and white at no additional charge.
- Wallet size portraits are finished in the Standard Finish in all packages.

Portraits on Canvas

Mark Lawrence features Decorator Wall Portraits that are printed on photographic paper and then bonded to artist canvas and stretched onto wood supports. The Canvas is finished with three coats of high gloss portrait lacquer to help preserve the portrait and enhance the beauty of the Canvas. We recommend framing the canvas portrait without glass.

Our Canvas Wrap Portraits are printed directly onto cotton/polyester oversized canvas fabric. The canvas is then wrapped and mounted on a wood substrate. Our Canvas Wrap Portraits are designed to be displayed on the wall without a frame.
